ABOUT

My name is **Sutan Gading Fadhillah Nasution**. I am specialized in frontend side, but i have ability to code in backend side too. I am very passionate about modern web technology while taking into consideration the latest trends and techniques. I would be a fast learner to doing a new things and build a good teamwork either. I always balance looking fresh with being effective.
WORK EXPERIENCE

Freelancer
2016 - Present
Anywhere, in Universe
Since I have graduated from my vocational school, I always took a side jobs to make some money.

Internship Programmer
Jul 2018 - Aug 2018
PT. TEL Pulp & Paper, Muara Enim
I took this intern job because it was a graduation requirement on my campus, while I was looking for work experience either.
